

Men's Crew Hooded Jacket 2.0

Description

We built the Men's Crew Hooded Sailing Jacket 2.0 with HELLY TECH® Protection so that it is water-proof, windproof, and breathable. Our refined design allows for greater freedom of movement with articulated elbows and shoulders. The hood offers another layer of protection from the elements and is packable in the collar when you don't need it. Other features include a center front YKK® Vislon® zipper that's more resistant saltwater corrosion, and hand pockets aligned with the jacket seam for an organized look.

Details

No. 34443

Fiber content:

Shell: 100% Polyester - Lining: 100% Polyester

Care Instructions:

Close zippers before washing. Do not soak. Do not use fabric softener. Tumble dry garment to reactivate water repellent treatment. Wash dark colours separately. Use liquid detergent. Use washing agent for technical garments.
