

Men's Dubliner Insulated Waterproof Jacket

Description

This versatile men's rain jacket is warm and has a great cut. We built it with HELLY TECH® Protection so it's waterproof/breathable and windproof, with fully sealed seams for added protection against the elements. Its lightweight insulation adds comfort in cold weather, making it the perfect rainwear for chilly, rainy days. In clear weather, you can pack the hood into the collar.

Details

No. 53117

Fiber content:

Shell: 100% Polyester - Lining: 100% Polyester - Insulation: 100% Polyester (Recycled)

Care Instructions:

Close zippers before washing. Close hook and loop before washing. Do not use fabric softener.
