

Men's Carv Lifaloft 2.0 Jacket

Description

For lightweight warmth and protection on resort days, choose our Men's Carv LIFALOFT™ 2.0 Ski Jacket. This jacket features our synthetic, lightweight LIFALOFT™ insulation that's 20% lighter and still warmer than standard insulation and has excellent moisture management so you stay warm and dry without extra bulk, and our HELLY TECH® Performance technology makes it waterproof and breathable. It has mesh venting for additional breathability and an adjustable powderskirt for versatility. Other resort-ready features include RECCO® reflectors, an adjustable, helmet-compatible hood with a neon brim, wrist gaiters, and goggle and ski pass pockets. This is a certified bluesign® product.
